Tickle College of Engineering - University of Tennessee, Knoxville

B.S. Business Administration   2023
Haslam College of Business - University of Tennessee, Knoxville – *cum laude*

Innovation and Entrepreneurship in Europe   2022
Danish Institute for Study Abroad - Copenhagen

PROJECTS

wando-ui | *TypeScript, Next.js, Tailwind CSS, Node.js, Vercel*   2023
Component collection and CLI application written in TypeScript
— source: https://github.com/iamseeley/wando-ui
- Designed and implemented composable styles using Tailwind CSS, clsx, and class-variance-authority, enhancing modularity and scalability
- Developed a publicly available CLI tool leveraging Node.js for efficient package management and script execution, allowing users to import components easily into their own projects

go-forth | *Go, Docker, Google Cloud Platform*   2023
Static site generator written in Go
— source: https://github.com/iamseeley/go-forth2.0
- Engineered a static site generator featuring Markdown-to-HTML conversion, YAML front matter parsing, automated build processes, and efficient content caching, optimizing performance

EXPERIENCE

Web Developer   2022–present
Self-employed
- **Food Truck** | *TypeScript, Next.js, Tailwind CSS, PlanetScale, Prisma ORM, NextAuth, Vercel*
  - Crafted an event management platform with secure authentication and full CRUD capabilities, streamlining client operations
  - Created an interactive public website to display events and menu items, incorporating a user-friendly interface for online inquiries
- **Law Firm** | *TypeScript, Next.js, Tailwind CSS, Vercel*
  - Developed a responsive and accessibility-focused website for a law firm, resulting in a 20% increase in client inquiries

Website Administrator   2022–present
Shaka Shrimp
- Managed and optimized the Shaka Shrimp website, ensuring seamless content updates, bug resolution, and peak performance

Business Strategy Intern   2022
Mindpool
- Built a category defining, business to business growth strategy focused on ESG
